Docket No.: 04970/000J592-US0

**REMARKS**

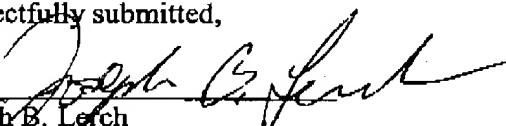

As of the last office action this patent application included Claims 5-8, of which Claim 5 was previously rejected, Claim 6 is allowed, Claim 7 was previously rejected, and Claim 8 was newly added in the amendment of February 6, 2004. Claim 5 is amended for clarity, and all rejections continue to be respectfully traversed.

The present amendment is submitted to further clarify the subject matter of claim 5. All previous arguments are still applicable..

Applicant's attorney has made every effort to place this patent application in condition for allowance. It is therefore earnestly requested that the present amendment be entered, that this application, as a whole, receive favorable reconsideration and that all of the claims be allowed as presently constituted. Should there remain any unanswered questions, the examiner is requested to call the applicant's undersigned attorney at the telephone number given below.
